Dedication

As a tribute to the excellent progress which has been made by the Wyoming County School System and also as a special mark of appreciation to Mr. Jesse W. Morgan, who has been largely responsible for this effective work, we, the graduating class of 1954, do hereby dedicate the 1954 "Oceanian," to the Wyoming County School System in general and its superintendent in particular.

Mr. Morgan has been prominent in educational circles ever since his first teaching position in Nancy Fork Grade School. Going from teacher to principal of Wolf Pen Grade School and lastly Superintendent of Wyoming County Schools since July 1, 1948.

It is with the greatest respect and honor that this graduating class wishes to thank the Wyoming County School System and Mr. Morgan for making it possible for them to attain great heights in learning.

The purpose of our Student Council is to help the home room groups, the faculty, and the pupils to sense their needs as a group, and to work out a suitable plan of self government. It is really the self-governing body of the pupils, which asks advice of the administrative officers of our school. Our council seeks to improve our school, to promote a proper school spirit, to instill an attitude of helpfulness and willingness to serve, and, in general, to make our school a happy and inspirational place in which to spend very important years.

Our Student Councils have accomplished many worth while projects in the past years, and our present council is striving to accomplish several worth while projects which will make Oceana High School a better school. Some of the accomplishments are as follows: purchased a portable record player, sponsored a variety show, launched a permanent clean up campaign, provided for an intramural program, supervised a locker inspection, set up a courtesy committee which welcomes visitors at our school, and has taken an active part in organizing a county wide Student Council Organization.

There are some other projects which the Student Council hopes to complete before the end of the school year. We plan to buy achievement awards which will be awarded to seniors upon their graduation. We plan to sponsor at least two dances, and we are sponsoring the sportsmanship program. In the near future we hope to have a safety program to present to the school about driving.

Club

Bethel Lamb
President

The Library Club was organized for the first time this fall by Mrs. Barrett, librarian. The purpose of this club is to train students for library science. To be eligible for membership one must contribute one hour of work per day in library science.

The projects of this club are to sponsor a book drive, assist in maintaining a bulletin board for the library, help teach classes to use the library, and assist in making the library eligible for entrance into the North Central Association.

Five New Teachers Join Staff

Five new teachers have been added to the faculty this year.

Mrs. Patricia Ann Henry is teaching, for the first time, psychology and English at Oceana High School. She attended Mullens High School during her junior and senior year, and received an A.B. degree this summer at Georgetown, Kentucky. Mrs. Henry's hobby is horseback riding and reading. She is staying in Oceana.

Mr. Ronald Lee Cook, a graduate of Oceana High School, has served in Korea as a company commander in the First Cavalry Division, and held the rank of first lieutenant. He attended West Virginia University, where he received his B. S. and Master's degree. Mr. Cook's teaching fields are social and English. His hobby is photography.

Miss Laura Caryl Hinchman received her A.B. degree at Concord and her master's degree at Marshall. Last year she was the dean of girls at Man, and has also taught in Maryland. Her teaching fields are English and French, and she is a qualified counselor. Miss Hinchman's hobby is traveling. She teaches tenth grade English, journalism, and French.

Mr. Arnold W. Harless received his B.S. degree at Concord College, and has been working on his master's degree this summer at West Virginia University. He has served in the army in a branch of the G-2 Section. Mr. Harless teaches bookkeeping, typing, and commercial law. He has taught at the Huff Consolidated school. Mr. Harless lives at Hanover.

Mrs. Alza Matney received her A.B. degree at Marshall college and her master's degree at West Virginia University. She is also a licensed beautician. Mrs. Matney taught three

Oceana High School was in a hilarious uproar on Friday, September 18, 1953, as freshmen initiation was observed with great interest by the seniors and freshmen. The juniors and sophomores enjoyed themselves by watching excitedly as the freshmen performed their various duties.

Had you been here, you would have seen freshmen carrying seniors' books, dancing, singing, and shining their shoes — even football shoes.

As we watched the freshmen we decided that Mr. Ronald Lee Cook was right. "Most of the freshmen

boys would make prettier girls." Earsel Workman stands out in most of our minds as the most fashionable "lady?" present, while Peggy Lambert, dressed in bibbed overalls, resembled the fictional storybook character, Paul Bunyon. Oh, yes, we must not forget to mention the smart-looking "girl" dressed in the straight, black skirt with the splits, namely, Eugene Dillo.

During the assembly held in our brand new auditorium many freshmen were tried and found guilty as master of ceremonies, James Childers, told

the offenses and Judge Lusk pronounced the sentence.

Much new talent was discovered in our new freshmen recruits. For instance, there was much yelling and stamping of feet as Virgie Day and Byron Cook jitterbugged. And later Linda Rankin held their attention as she sang.

Everyone had a good time, especially the freshmen, even though they were really put through the rough by the seniors.

Cheer up freshmen, your time will come.

Teachers who have returned are Emma Pizzino, commercial teacher;

Botney, head football coach; vic instructor; Richard Philad basketball coach and in

structor in American history; Margaret McGinnis, home econ instructor; Fred Shannon, band glee club director; Gene Gilliam, ology and driver education instructor; Mrs. Maxine Barrett, library and English instructor; Jennings, rett, mathematics and science instructor; Robert Williams, instructor in chemistry, physics, and mathematics; and "Babe" Morgan, English instructor.

Ten out of the sixteen faculty members hold master's degrees in various fields and three are now taking graduate work leading to a master's degree. Mr. Cook states, "This is one of the best qualified faculties in state."

Teachers who have returned are Emma Pizzino, commercial teacher;

Botney, head football coach; vic instructor; Richard Philad basketball coach and in

structor in American history; Margaret McGinnis, home econ instructor; Fred Shannon, band glee club director; Gene Gilliam, ology and driver education instructor; Mrs. Maxine Barrett, library and English instructor; Jennings, rett, mathematics and science instructor; Robert Williams, instructor in chemistry, physics, and mathematics; and "Babe" Morgan, English instructor.

Ten out of the sixteen faculty members hold master's degrees in various fields and three are now taking graduate work leading to a master's degree. Mr. Cook states, "This is one of the best qualified faculties in state."

SENIORS INITIATE FRESHMEN

Journalism Class

Classes Elect Officers

The annual election of class officers which took place on September 17, was the highlight of the third week of school.

Heading the senior class is Jar Clinton Childers, who is serving as presiding officer for his third year high school. Other senior officers are: vice-president, "Spivy" Bob Hiff; secretary, Betty Smith; treasurer, "Sprigg" J. D. Toler.

Taking official positions in the junior class were Jerry May, president; Marva Tracy, vice-president; Anita Manning, secretary; Joy Lwards, treasurer.

Richard Childress was installed as president of the sophomore class. Mike Goode and Marlene Toler were selected as vice-presidents for the freshmen. Jack Burkett and Tom Caudill were elected secretary and treasurer, respectively.

The freshman class is headed by Dickie Edwards. Other officers are: vice-president, Larry Childers; sec

Band

The Oceana High School Band, under the direction of Fred H. Shannon, Jr., has participated in many activities during the school year. They attended most of the football games and also attended the pep meetings held at night during football season.

Other activities sponsored were the Jabberwock, a talent show, Gene McKnight and the Happy Valley Boys, a well-known group of Hillbilly singers, and also gave several concerts throughout the school year.

The Glee Club under the direction of Mr. Shannon has been very busy this year.

A Christmas Cantata was prepared and ably presented to the Parent Teachers Association, the Kopperston Grade School, and the general assembly of the high school on Tuesday, December 22.

In March, an operetta, "The Lucky Jade," with a cast of 60 was presented.

Commencement and baccalaureate music was furnished for the seniors' graduation exercises.

"To create, maintain, and extend high standards of Christian character throughout the school and community," these words should mean much to everyone for these are the words of a motto of a club which does just that!

With such ideals how can this club do anything but benefit the school?
